

DECLARATION OF ADHERENCE TO THE YSONDOS GROUP LEGAL NOTICE

VERINGER INGENIERIA AVANZADA S.L.

VERINGER INGENIERIA AVANZADA S.L., as a company within Ysondos Group, hereby declares its adherence to the terms and conditions set out in the Ysondos Group Legal Notice, as published on the corporate website referenced at the end of this document.

The company adopts the general terms and conditions governing access to and use of the website's content and services, including the principle that access is free of charge, that merely accessing the website does not establish a commercial relationship, and that certain services may be subject to prior contractual arrangements or specific terms and conditions.

The website must be used responsibly and in accordance with applicable law, the principles of good faith, relevant notices and instructions, and the protection of intellectual and industrial property rights. The use of website content for unlawful purposes, or any action liable to damage, disrupt or alter the website or its content, is strictly prohibited.

This adherence extends to the provisions governing intellectual and industrial property rights; the reproduction and use of website content; measures designed to ensure the proper operation and security of the website; the temporary suspension of services for maintenance, repairs, updates or improvements; and the removal or blocking of content that infringes applicable legislation, third-party rights, or accepted standards of morality and public order.

The company also adopts the provisions concerning external links, which are provided for information purposes only, and the rules governing links to the website from third-party websites. These terms shall be governed by Spanish law and subject to the jurisdiction of the Spanish courts, without prejudice to any mandatory legal provisions applicable to users acting as consumers.

Communications concerning the Legal Notice may be addressed to **info@ysondos.com**, in accordance with the provisions of the relevant corporate document.
